CHÂTEAU DE PEYRONNENC IS MORE THAN A CHÂTEAU, IT'S A FAMILY HOME.

For several decades, my grandmother made it a place to live, celebrate and pass on family traditions. Together with my parents, we chose to preserve her legacy through an exceptional renovation entrusted to interior designer Cécilia Febrer.

Every detail was carefully considered to honour the history of this residence while bringing it the comfort and elegance of today.

It is now with great pride that I personally welcome you to discover this place, so dear to our family, and to celebrate the most beautiful moments of your life here in turn.
